

## Partnership Opportunities

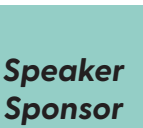

### Indiana Land Protection Alliance Land Trust Conference and Annual Reception

The mission of Indiana Land Protection Alliance is to champion land and water conservation for all of Indiana by uniting, empowering, and elevating Indiana's land conservation community.

Our annual Conference and Reception is our largest event of the year, gathering land trusts, practitioners, and partners for a day of learning, sharing, and networking, and caps the day off with a celebration of land protection and stewardship with the Indiana Department of Natural Resources.

This event is only possible with the generosity of people and businesses like you, who are invested in the future of Indiana's lands and waters.

As a way of expressing our thanks, we will leverage our statewide voice to spread the word about your business and the work you do for our communities.
